Check with your local Pharmacy, Price Chopper, or Hy-Vee. Options may vary

Booster doses of Pfizer are now available for select individuals. If you received two doses of the Pfizer vaccination at least six months ago, you are eligible if you meet one of the following requirements:

- 65 years of age and older
- A resident of long-term care
- 50-64 years of age with underlying medical conditions that make you at risk for severe COVID-19

- 18 - 49 years of age with underlying medical conditions
- 18 - 64 years of age who are at increased risk of COVID-19 due to exposure at workplace (e.g. frontline medical workers, teachers, and first responders.)
